

FLAVOURS

Hvylyasti

Hvylyasti

Kernels  
of sunflower seeds

The perfect combination with **sunflower seeds** will be a great addition to a cream soup and will complete your lunch or even replace it in the hustle and bustle of life.

Enjoy your life with delicious toasts and crusty slices of bread along with Hvylyasti!

Wasabi

The balanced spiciness evokes the perfect pleasure of the amazing **wasabi** spice for lovers of Asian flavours.

People love roller coaster thrills, and these croutons with a taste of '**green root**' will help you experience the same emotions.

Basil tomato

If you don't have time for a full lunch during work or study, the combination of red **tomatoes** and **basil** will become a tasty and healthy snack that will move you to calm and refined Italy where you can relax before starting something new.

Bacon

If you have a picnic with your friends and are not sure that the food will be perfectly cooked, **bacon**-flavoured breadcrumbs will always come to your rescue.  
Have a great time!

Shrimp in  
creamy sauce

The rich taste of **shrimp in a creamy** sauce will not leave indifferent any fan of sports and pleasant evenings with friends over a glass of beer.

With each sip of beer, you cleanse yourself and forget the taste of the previous bite of bread crust, and this helps you enjoy the croutons longer.

Chili lime

The non-standard duet of very **hot pepper** and **sour lime** can surprise you with its combination and take the first place in your heart among unusual goodies that will help brighten up your evening.

Mushrooms in a  
creamy sauce

The taste of holiday in nature, freedom and silence - in a quiet forest after spring rain you can find fragrant mushrooms. To go with us on this journey try the crusty bread with the taste of mushrooms and delicate cream that completes the picture.

Salt

To enjoy the taste of the croutons themselves and not to distract your brain by processing the flavours while watching an interesting movie in the evening, the taste of ordinary, but perfectly dosed salt is ideal for you.

Cheese

There is never too much **cheese** in life, so we tried to achieve this cheesy richness in slices of bread.

And since a mouse lives in each of us, we can enjoy the rich cheese flavor and taste in each package of croutons that can complement any activity throughout the day.

Horseradish

Besides wasabi, our spice range includes an adorable **horseradish** flavoured version.

The unconventional taste will complement any of your dishes, and we convey a message from Ukrainian gourmets that it is best enjoyed with borscht.

Fried steak

Dark bread soaked with the finest spices of a juicy fried steak gives a meaty taste to every your receptor. This taste will give you the best memories of the time spent with your family in the fresh air with delicious meat. After each bite you will want to try more and more.

Sour cream  
and herbs

If you prefer bright but classic flavours, this dish is perfect for a company where no one knows what they want, and **sour cream and herbs** are always a good idea.

An eternal classic for eternal pleasure.

Garlic

Garlic croutons are ideal for serving or adding to a variety of sauces and dressings. There are many great combinations and appetizers to diversify your holiday party with just a slice of bread.

Paprika

Sweet **paprika** has repeatedly become a favorite of our customers.

The combination of salty bread and sweet pepper envelops you with home comfort and familiar taste.

Smoked  
salmon

In today's world, more and more people are discovering the unique tastes of marine life. The exquisite and unique taste of **smoked salmon** will touch the soul of any gourmet.

If you prefer unusual flavors that will take you to the edge of gastronomic sensations, these croutons are for you.

**"HVYLYASTI"**
